# The 2022 Forum

The IPSASB is delighted to be holding the 4th **Public Sector Standard Setters Forum** (“2022 Forum”) this September 19-20, 2022 in Cascais, Portugal, hosted by Ordem dos Contabilistas Certificados (the Order of Certified Accountants).

The theme of the 2022 Forum is **IPSASB 2.0: Taking it to the Next Level**, as the IPSASB looks forward to how its future strategy and work program will continue to support stronger public financial management in the public sector. The 2022 Forum is aimed at organizations that are developing accrual-based accounting standards.

## ***What will you get from attending?***

The 2022 Forum is an exceptional opportunity to build connections with and gain insights from the unique experiences and expertise of standard setters around the world, as well as IPSASB members and staff.

As an attendee, you will:

- Help shape the new major projects that IPSASB is now starting;
- Input into initial thinking on IPSASB's 2024-2028 Strategy;
- Increase your knowledge and understanding of the projects other standard setters are working on, the issues they are facing, and how they are dealing with them; and
- Build your own networks with peers from around the world.

## ***Want to find out more?***

This brochure provides:

- A summary of sessions on the two-day Agenda;
- Links and additional information about the 2022 Forum registration and hotel reservation; and
- Other resources, should you have further inquiries.

Thank you for joining us and for your contributions to the global accrual journey!

Best regards,

Ian Carruthers, IPSASB Chair

# Agenda

## Welcome Reception

Meet your fellow delegates in an informal setting before the start of the 2022 Forum.

## DAY 1

### Kickoff and Keynote

Kick off the 2022 Forum with a keynote discussion, and an update about the IPSASB's current Work Program.

### Public Sector Sustainability Reporting

Obtain the latest information on sustainability reporting guidance from the International Sustainability Standards Board (ISSB) and Global Reporting Initiative (GRI), as well as an early analysis of responses to the IPSASB's Consultation Paper. Contribute to the thinking on how the IPSASB might approach the development of public sector-specific sustainability reporting guidance.

### New IPSASB Projects

Explore and discuss the IPSASB's two new major projects and how they will contribute to strong public financial management and high-quality financial reporting in the public sector. Participate in small group discussions to share insights and give input on key issues in the presentation of financial statements and differential reporting.

### Social Dinner

Enjoy dinner with good company and beautiful coastal views in the host city.

## DAY 2

### Public Sector Sustainability Reporting

Continue discussions on public sector sustainability reporting, with interactive pitches and voting on priority topics.

### IPSAS Suite Overview – Focus of Future Projects

Discuss the past, present, and future evolution and development of IPSAS, including how the IPSASB incorporates constituent feedback, identifies remaining gaps to be addressed, and continues to promote IPSAS adoption and implementation.

### Development of IPSASB Next Strategy

Learn about the IPSASB's potential projects and get the opportunity to provide input into shaping the IPSASB's future Work Program.

### Closing Session

Wrap up the 2022 Forum with an event summary from the IPSASB Chair. Refresh the key takeaways from the 2022 Forum.
